H Faculty

STEPHEN HAUSER, M.D. [1]

Neurogenetics and Neuroimmunology of Demyelinating Diseases
Program: Neuroscience [2]

MATTHIAS HEBROK, Ph.D. [3]

Pancreas and Islet Development
Program: Developmental and Stem Cell Biology, Tetrad [4][5]

JONATHAN HORTON, M.D., Ph.D. [6]

Structural Basis of Amblyopia and Strabismus
Program: Neuroscience [2]

ERIC HUANG, M.D., Ph.D. [7]

Transcriptional Programs in Neuronal Survival and Differentiation
Program: Developmental and Stem Cell Biology, Neuroscience [2]

YADONG HUANG, M.D., Ph.D. [8]

Molecular Mechanisms and Therapeutic Strategies of Neurodegenerative Diseases
Program: Developmental and Stem Cell Biology [4]
