

## First Bishop Fellowship awarded!

Aug 5, 2014

The PIBS Executive Committee has chosen Ryan Dalton as the first recipient of the J. Michael Bishop Fellowship. Ryan is a student in the Neuroscience Program and is working in Stavros Lomvardas' laboratory. Congratulations Ryan!

The J. Michael Bishop Fellowship will be awarded annually to an exceptional graduate student in a PIBS (Program in Biological Sciences) program. This fellowship honors Dr. Bishop's many contributions to graduate education at UCSF including the formation of PIBS.
